## Kali Hague Featured in Women in Aviation Magazine

*"Legally Speaking: Meet four WAI members who have found their passion in understanding the complexities of aviation law."*

Kali Hauge was featured in the Woman in Aviation September/October 2023 magazine. In the article, she speaks about her journey in aviation law, and her passion for the business aviation community. She says that aviation law "opened [her] eyes for a way to stay in aviation but also combine [her] love for writing and academics."

### 4 States Airport Conference Highlights: Ed Young's Insight on Airport Leases

In August, Ed presented "George Jetson's Guide to Airport Leases" at the 4 States Airport Conference. Ed delved into George Jetson's visionary concept and helped airport managers prepare for groundbreaking innovation at their airports. Only Ed Young can make airport leasing hilarious and educational!

### Navigating the Skies: A Presentation on Risk Management in Air Racing

On October 12, 2023 in Kansas City, Kent Jackson will present to the Federal Aviation Administration (FAA) on Risk Management in Air Racing. Featured is a picture of Kent racing in the National Championship Reno Air Races.
